Забележка: Посочените в колона „Ном номер” номенклатурни номера са в съответствие с ревизията на Ръководството за техническо обслужване на компонента актуална към датата на добавяне на компонента в „Списъка на одобрените дейности. Одобрението за извършване на техническо обслужване на компоненти е приложимо и за компонентите с номенклатурни номера, посочени в последващите изменения на съответното „Ръководство за техническо обслужване на компонент”.

Notes: The ones indicated in the column “Part. number”, part numbers are in accordance with the revision of the “Component Maintenance Manual” current as of the date of addition of the component to the ‘Approved Capability List’. The component maintenance approval is also applicable to components with nomenclature numbers specified in subsequent amendments to the relevant Component Maintenance Manual.
